SPECIAL EMPHASIS OF STATE GOVERNMENT ON YOUTHS, ENGINEERING COLLEGE TO BE STARTED IN ALL DISTRICTS

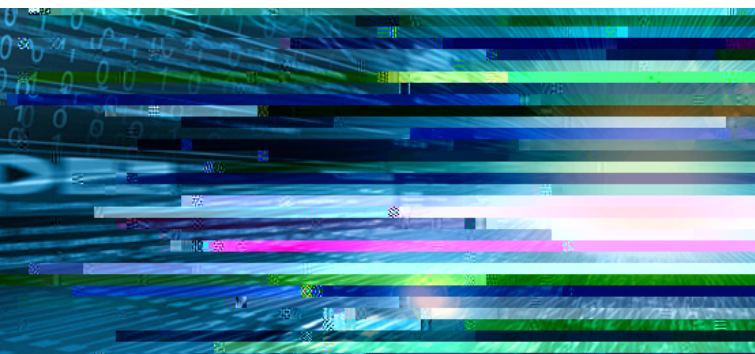

On this occasion, the Chief Minister said that student credit card, self-help allowance, skill development and colleges and universities. A scheme has also been evolved to encourage new young entrepreneurs.

The Chief Minister said that for empowerment of women, they have been given 50 per cent reservation in ganchayati raj institutions, urban local bodies as also among primary teachers. In police services, women have been given 35 per cent reservation, which is the highest in the country.

He said that under the seven nishchay yojana, 35 per cent reservation has been introduced for women in all the government services. Schemes have also been implemented to provide tap water to every house, toilet in every house, pucca lane and drainage up to every house and electricity connection to every house. Power supply would reach every settlement by the year end and it would reach every house by the end of next year.

Like Hyderabad and Bengaluru Patna is also set to become a hub of Information Technology (IT). The state is preparing
