Governmen uld strengthen traditional industries

Chief Minister Nitish Kumar recently chaired a meeting of the udyami panchayat. In this meeting, the Chief Minister said that there are a lot of employment possibilities in the areas like handloom, power-loom and silk. He said that these areas will be further strengthened. There are immense employment possibilities in silk sector through means of livelihood. For tasar industry, 661 units of equipment have been given to women. Representatives linked to different trades were present in the meeting.

Chief Minister said that the government wants to strengthen traditional industries for securing employment to the maximum number of people. He stressed the need to attract consumers towards these industries.
